Hello – I've been working with Gareth to set up a meeting with Jim in mid-June. I emailed him this morning but got his autoreply that he's out until June 6 and to follow up with you. The email string below explains our meeting request.

I look forward to hearing from you about the proposed meeting for June 15 and the time of day Jim would like to set for that. Thank you!

Hi Gareth – We'd like to set something up on the 15th. I've been thinking a bit more about the attendees, in addition to Jim and Vincent. I defer to Jim on attendees, but the topic will be the wind energy industry's role in promoting domestic energy in light of Secretary Zinke's Order No. 3349. Thus, it might be good to have Kathy MacGregor there and Aurelia Skipwith. BLM and especially FWS are key agencies in the production of domestic wind energy.

Let me know what time works on the 15th. I will then get you a list of attendees as we get closer to the date. Thanks.

Good Afternoon Bill,

Thank you for your email requesting a meeting with Jim. Unfortunately he is scheduled to be out of the office on official travel on June 14. Would there be the possibility of a meeting later on the 15th or 16th?

Regards

Gareth Rees

Hi Gareth –

I worked with Jim under Secretary Norton when I was the Solicitor. I am now in private law practice and my client, the American Wind Energy Assn, would like to have a meeting with Jim and others to discuss Secretary Zinke's Order No. 3349 on domestic energy independence. AWEA is the national trade association for production of domestic wind energy. AWEA has member companies and some of the CEOs will be in DC on June 14th. We would like to meet with Jim on that day at 3:30 pm. We would like Vincent DiVeto to join as well, and if available, Doug Domenech and Kathy Benedetto.

I have been in touch with Doug about this meeting since we were hoping to meet with the Secretary, but Doug tells me he will be out of town that day. Doug may mention this meeting request to you as well.

Please let me know if we can arrange this meeting on June 14th so I can let my clients know. Thanks and let me know what other information you may need from me.
